Greetings Fellow Modelers,

Well January has come and gone and we are now looking forward to the February meeting.

In case you haven't heard, the **February meeting will be held at the Burbank Central Library**. This will be our meeting and also serve as an Open House. This is a great opportunity to showcase our club and all of our talented members to the Burbank Community.

The meeting will begin at **10:00 am and last until 3:00 pm**. For those of you who do not have access to the internet **The Burbank Central Library is located at: 110 N. The meeting will follow our regular protocol, Show & Tell with **S.S. Wolfie**, Demo, Raffle and last but not least, Coffee & Donuts.

This month's demonstrator is our very own, **Johnny Brosnan**. He will be demonstrating his talents & techniques using unwanted items or commonly referred to as "trash". We will call it, Kit Bash with Trash.

Just when you thought it couldn't get any better, **Ken Schwartz** will be our bullpen demonstrator, in the event he is needed. Ken has offered to show his techniques and tricks using Cavalier Zimmerit.

UPCOMING SHOWS: SCAHMS 2007, March 16 & 17. Details are on our website.

Thank you to Scott Carter for an amazing demo. I heard it was well worth the trip and out of this world.

I am sorry that I missed it.
