

LOS ANGELES MINIATURISTS

“the L.A. club”

January 2007

Hello Fellow Modelers!

First off a big thank you to everyone who participated in our Christmas Party. As always it was a huge success and we couldn't have done it without you. Our big winner of the annual raffle was **Mario Saborio** who took home an enormous Spiderman figure from Sideshow Toys. A big Thank You also to **Greg Mowry** for this generous donation.

We will start the New Year off with our first meeting to be held on **Saturday, January 6, 2007** at the Moose Lodge/Burbank from 9:00 am-12:00 pm. After multiple requests, our very own **Scott Carter** or affectionately known as “Scott Carter Dude”, will be demonstrating his ground work and foliage techniques. Don't miss out on this rare opportunity to view a master at work. Unfortunately I will not be able to attend, so if someone would be so kind to bring a camera so that in addition to having new pics for our newsletter we will also be able to add them to our website. I know many of you are enjoying your holidays working on all those new kits that you bought for yourself for Christmas, so we will expect that you will be bringing them to the next meeting.

For those of you, who have not taken care of your yearly club dues of \$25.00, please see Peter Ferk. Scott's demo alone is well worth it! Enough of me trying to finagle money from you but remember this is how the club maintains its ability to function.

We are still working on the website and progress has been made and will update you at the meeting.

So don't miss out on the January meeting because in addition to great camaraderie, a “bitchen” demo by the dude, our raffle will consist of (2) 1/18th scale Half-Tracks. One being U.S. & the other German that were generously donated by 21st Century Toys. There will also be many other goodies. Oh and how could I forget the coffee & donuts.
