June 2007

Greetings Fellow Modelers,

Can you believe it? June is here and we are ready to begin a new chapter in the history of the L.A. Miniaturists club. As you already know I'm sure, we are no longer Moose's, The Moose lodge is now only a memory. We will now move into the "Ship" at the Burbank VFW post 8310 on Saturday June 2, 2007 from 9:00 AM to 12:00 noon. VFW phone and address (818) 842-1739 - 1006 W Magnolia Blvd, **Burbank**, CA. This will be our first meeting at the ship so do not go to the Moose Lodge. Parking at VFW is similar to that of the Moose, parking on Magnolia and the side streets. Please do not park in the back, as that is reserved for the VFW members. If you need additional directions, visit our website to view the map. For those of you savvy computer guys, you can print the map.

This month's meeting will feature an **ALL OUT SWAP MEET**. If you have models that are just taking up space, why not bring them to the meeting and make a few bucks and then spend it on other models that will take up your space that you just cleared. That's just the way us modelers roll! Books, models, paints or anything that fits our hobby can and will be sold at the upcoming meeting. So don't miss out!

There will not be a demo scheduled for this Month due to the swap meet, but we will have the usual show and tell and fun with Wolfie segment. We will also be bringing back by popular demand "Wolfie's" word of the month. I also heard through the hedgerow that our raffle this month is going to be resin rich, but that's all I can give you for now.

We will still have the usual coffee and donuts but I heard that bagels and cream cheese were causing a ruckus and threatened to open a can of whoop-ass on the donuts. (They're claiming discrimination) In addition to the coffee and donuts, don't forget that we will be right next door to the VFW Bar and Kitchen. Breakfast is still in the works with the VFW and I feel strongly that this is going to happen in the near future. So after a rough few last meeting's at the Moose, things are looking up at the VFW. Don't forget that we will be guests at the VFW and are looking forward to a long and supportive relationship with these fine people.
