October 2007

Greetings Fellow Modelers,

The LAMS October meeting is upon us and we have a great meeting planned for this Saturday October 6th, 2007 at the Burbank VFW Post 8310 aka “The Ship” located at 1006 W. Magnolia Blvd. Burbank CA (818) 842-1739 from 9:00 AM – 12:00 noon. We will be offering the \$5.00 Breakfast Chow line again this month, and you can bet that the donuts will be present as well; the donuts and coffee are FREE!!!! Parking at the VFW is located on Magnolia and the side streets, please do not park in the rear parking as that is reserved for the VFW Members.

This Month’s demo will feature our very own Ayatollah of modeling, Mr. Ken Schwartz back again by popular demand, for a once in a lifetime engagement. Ken is in the middle of his “modeling world tour 07”, and has offered to come by and show us small folk some of his airbrushing secrets and techniques, We have had several request by some of our members that missed Ken’s previous demo on Airbrushing. Many members are ready to purchase some airbrushes and have been asking many questions, So we thought that it would be best to have Ken bring in some of his many airbrushes and he will be setting them up and will actually let you use the Airbrush in action! The Airbrushes featured will be by, Tamiya, lawata, & badger. Basic usage, clean up and prepping the paint will be just some of the subjects covered. This Demo should be a good one, because even if you’re an accomplished Airbrusher, you can still heckle the Ayatollah and get even with him for all the times he has dished it out.

On Another note, the Raffle table will be oozing with goodies. This month’s Raffle table will include the following: Dragon Wings 1:72nd scale die cast spitfire mk.vb w/ aboukir filter 616th sq. august 1941, 1:32 scale Hasagawa special version Fieseler Fi156c Storch w/ Rommel figure (metal figure) 1:35 scale Italeri ABM 41/42 with 47/32 at gun, and resin casted wheels, 54mm Andrea miniatures roman centurion (70 A.D.) metal figure, 120mm ‘Stormtroopers models’ WWII German Gefreiter (eastern Front) resin figure kit, 54mm Fonterie miniature ‘Bonaparte en Egypte’ mounted on a camel (white metal kit), These are just some of the items that will be available this Saturday, so don’t miss out.

The website is progressing and I will be giving you an update at the meeting. We are finally getting ready to launch the first ever LAMS online Auction. For those of you that have been asking, Hey! Marcelo, What happened to the website? I would like you to focus at the top of this newsletter, right above October 2007 in Blue type, see how it says (.com) and not (.net) that is the only difference, we are now dot.....com.

I would also like to take this time to thank our friend and supporter Mr. Ben Harper, Ben has recently made a very generous donation to our club and even though he has moved up North, Ben is always looking to help the club anyway he can, Thanks Ben.

Hope to see you all on Saturday.
