APRIL 2008

Greetings fellow modelers,

It's that time again; time to get together for donuts and coffee, Yeah! And the rest of the stuff is cool too. We will be getting together at the 'Ship' this Saturday April 5th 2008, between the hours of 9:00 AM and 1:00 PM. You know where it is and you already know about the parking so I am not going to get into it, If you need address and direction's see the website link listed above.

This months demo will be Hot! David Whitford (SCAHMS MASTER) will be presenting a how to session, on painting babes with very little clothing. And I heard that some of his lady friends from all over the world will be in attendance. Anna from the Ukraine (do not call her Russian) Sandy from Arizona, Maria Conchita Esposito De la Cruz Rosario (whew) from Mexico City, Bonnie from Chicago, and a History Teacher from Spain will all make a special visit for this months special demo. You do not want to miss this one! Parental discretion is advised.

Well, we finally did it. The new website will be launched this Friday April 4th 2008, I look forward to your comments. We still have lots of Material that we need to gather, but I did not want to delay any further, and Just like "Ike" said on June the 5th 1944, (It's a go, we can't make them wait any longer, we must go!) The new address will be www.laminiaturists.com if you visit the old site you will be redirected to the new site, so don't stress out. We will discuss the site at the meeting.

Our second to none raffle table will be gleaming with goodies as usual. Thanks to everyone that has confirmed their annual dues for this year, this is what makes our little world go round.

LAMS will be sponsoring a D-Day Plus One Mini Con for the June 7th meeting. We will have a first, second, and third place award. The theme is WWII D-Day of course (Duh) Planes, Tanks, Figures, Soft Skins, etc...etc...We will go over the details at the meeting. You all have plenty of time to prepare.

Congrats to all who received awards at the recent California Show, It was a good one Wolfie.

Marcelo Fuentes
Minister of Propaganda
