JUNE 2008

Hello fellow modelers,

Our monthly meeting is fast approaching. We will meet this Saturday June 7th, 2008. At the Burbank VFW aka “The Ship” between the hours of 9:00 A.M. and 1:00 P.M. We will have Donuts and coffee as usual and we will welcome our President Peter Ferik back home.

This Months meeting features our yearly swap meet and sale, if you have stuff that has been collecting dust and you no longer have the urge to build, bring it to the club and get paid! Sell it! You don't want it anymore! Someone at the meeting might be looking for it, you never know.

We will also have the D-Day plus 1 mini con; our very own Peter Ferik will be judging the event. This mini con was scheduled in honor of the heroes of WWII. I hope that you all have been working on something, because we have a very special first place award. 1st place will take home a complete set of Vallejo model air paint numbered 1-60, this is the first set that was introduced years ago specially formulated for the airbrush, a set that is worth over \$150.00. 2nd place is a brand new Dragon 1/35th scale smart kit WWII German armor kit, 3rd place is a \$25.00 gift certificate from Burbank's House of Hobbies. Good luck to all that participate.

We will also have our second to none raffle (PMS). our raffle table features both, quantity and quality and this months raffle will be no different from the others. It will be gleaming with good unopened kits of modern kits that have been released recently (PMS), not that lindberg crap that you see at other clubs raffles.

The Photographic equipment will be in the house, so if you want something photographed, bring it with you. That's all for now, hope to see you all at the meeting.
